INFORMATION ABOUT PERSONAL DATA PROTECTION FOR REPRESENTATIVES AND CONTACT PERSONS

Representatives and Contact Persons

Who is the controller of your personal data?

das-Nano, S.L. with registered address at Polígono Industrial Talluntxe II, calle M-10, 31992 Tajonar (Navarra). Email address: gdpr@das-nano.com.

Who is the Data Protection Officer at das-Nano and how can you contact this person?

The Data Protection Officer is the person responsible for protecting the fundamental right to personal data protection at das-Nano and is in charge of the compliance with data protection regulations. You can contact das-Nano's Data Protection Officer at: dpo@das-nano.com

What does das-Nano use your personal data for?

das-Nano processes your personal data for the purpose of managing the business relationship the entity maintains with you due to your status as a representative of a das-Nano's customer or supplier, or as a contact person.

Why does das-Nano use your personal data?

The legal basis that allows das-Nano to process your personal data is the execution of a contract or a business relationship in which you are a party.

das-Nano

Política GDPR

das-Nano must also comply with the legal obligations imposed by law and, among them, by the current personal data protection regulations.

How long will das-Nano keep your personal data?

das-Nano will keep your personal data throughout the validity of the contractual/business relationship in which you are a party. Once the contractual relationship is finalized, das-Nano will keep your personal data blocked during the statutory limitation periods, generally 10 years, and will then destroy your data.

In the case of business relationships, your data will be destroyed once such relationship has ended.

To whom will das-Nano communicate your data?

das-Nano will not transfer your personal data to third parties, unless it is bound to do so by a law or if you have previously agreed to do so with das-Nano.

In order to be able to provide you with an adequate service and manage the relationship that das-Nano maintains with you, you can find below a list of categories of companies that process your data on behalf of das-Nano as part of the provision of services it has contracted.

das-Nano also informs that, for the same purpose as indicated in the previous paragraph, certain companies that provide services to das-Nano could access your personal data (international data transfer). These transfers are made to countries with a level of protection comparable to that of the European Union (European Commission adaptation decisions, standard contractual clauses as well as certification mechanisms). For further information, please contact das-Nano' Data Protection Officer at: dpo@das-nano.com.
